Toby is a British born commercial photographer and retoucher working out of Birmingham England. He is very technically minded and has a keen eye for detail, which is visible in his clean and crisp shooting style focussed on delivering bright, colourful images. When asked 'can this crazy idea be done' the answer is always 'yes, if you've got enough time'. Toby enjoys a challenge and is always pushing the envelope of what's possible. He has a passion for portraits, interiors and product photography, as well as advertising and lifestyle shoots aimed at providing images hand tailored to his clients needs.
