Ian Atkinson is an international award winning photographer, whose work has been exhibited in some of the leading art galleries around the world. His portfolio of market leading companies is extensive as well as his experience in advertising, architectural and portrait photography. Over the last 20 years, Ian has worked in many different photographic genres and has published numerous books relating to travel and documentary photography. He has amassed a wealth of knowledge, developed outstanding skills in all areas of photographic practice. Each project is developed through client consultation mapping out what is the best approach for your company. Ian brings to each project a unique perspective with his highly individual and creative style and ideas.
